

We Are Convergence

MULTIPLE SERVICE LINES

In the ever-converging world of voice and data, NetVersant offers multiple service lines to provide total communications solutions:

- **IT Infrastructure Solutions**
- **Wireless/Mobility Solutions**
- **VoIP/Telephony Solutions**
- **Electronic Security Solutions**

WHO

NetVersant is the leading national provider of comprehensive and integrated telephony, electronic security, IT infrastructure and wireless convergence solutions.

WHAT

From planning and design, to installation and implementation, to certification and ongoing operational integrity, NetVersant develops innovative solutions that operate at maximum efficiency and reliability.

WHEN

With a Customer Support Center in Atlanta, many additional centers across the country and more highly trained professionals on our team, NetVersant has extensive resources to respond to your needs, whether immediate or scheduled. Our 1-800 Call Center offers centralized dispatch for calls received 24/7/365, and NetVersant's on-line Ticket Tracker empowers you to submit service requests electronically.

WHERE

With nationwide coverage and a strong presence in Georgia, NetVersant designs, engineers, installs and services comprehensive systems and provides specialized training for local, regional and national customers.

HOW

Whether your needs are tied to a single location in Atlanta, several locations in Georgia or many locations across the country, NetVersant has the expertise, manpower and national footprint you require to operate at peak efficiency.

WHY

NetVersant recognizes the importance of providing outside-the-box solutions to meet the constantly escalating demands stemming from the convergence of voice, video and data.
